Determined, Inclusive, Creative, Honest

---

Ulysse Abbate, Policy Officer

“Timi has consistently shown initiative and ambition in Greenwich Borough, and his strong speeches at Conferences demonstrate his passion for politics. I’m pleased to see him running for roles in London and YL!”

---

So far I have:

Represented the voice of BAME communities on the Diversity Committee

Stepped to become Youth & Student Officer on the Greenwich Lib Dem Executive

Passed my motion ‘The Young Person’s Guarantee’ at the 2024 London Conference and influenced policy

---

As Chair I will:

Be a strong voice for us on the regional exec and fight for more YL policies at conference

Arrange more socials and meet-ups, especially ones suitable for Under 18s

Prepare us to elect more YL councillors in 2026 and go on more action days
