

Re-elect Timi Jibogu as English Council Representative

JOIN TEAM TiM

I will:

Attend all meetings to the best of my ability and provide more scrutiny during them.

Follow the general consensus of the English Young Liberals when voting, except when I believe the action to be fundamentally wrong.

My first year as EC Rep has gone well, and I've been able to make myself familiar with what goes on. I want to continue and start to provide proper scrutiny during meetings.
