

SAM CUMBER FOR LONDON YL CHAIR

SAM'S THE MAN!

- London YL Chair 2021
- YL Campaigns Committee 2021-22
- YL Events Committee 2022-2023
- Written the YL motion "Accessibility in Education" which made it to federal conference. Also the author of the YL motion "Commitment to NATO and Security"
- Councillor in Sutton since 2022

SAM'S GOT THE PLAN!

Let's get social!

I will get more social events up and running in different parts of London, including events that don't involve alcohol. I will also look to get branches up and running in London, connecting local members. I will also work closely with our university societies.

Let's get campaigning!

I will get more Action days up and running by liaising with local parties. This will be important in the run up to the 2026 local elections to help win our target wards. I also want to steer the focus to expanding beyond our south west London base. I will work with London regional executive to ensure young voices are heard on policy and for regional conference.

Let's get winning!

I will start reaching out to members who may be interested in running for council in 2026 and beyond. I will offer my experience and those of other YL councillors to potential candidates.
