

## **Vote for me thank you**

Hello, very excited to be able to have the opportunity to stand for the west midlands regional chair for YL. Since joining the Lib Dems in May of last year I've really felt at home, and there has never been a better time to be a lib dem!

The west midlands is my home, I'm a Brummie and absolutely adore the region. We managed to get Lib Dem 2 MPs for the west midlands in July, and the fantastic Helen Morgan is now on our frontbench team! The next set of locals is huge for the region, with Staffordshire, Warwickshire and Worcestershire County councils all being up for election, in addition to the chance to win control over Shropshire County council.

We have a fantastic opportunity to put the region on the map for HQ and get ourselves record numbers of lib dems elected in the region.

If elected YL regional chair I will do everything I can to involve our young members, to get our young members elected and to offer any support our members need.

Thank you,

Benjamin-Robert O'Callaghan
