PRIORITIES FOR THE ROLE

Work to restart branches - I will work to restart Young Liberal branches and university societies across the East Midlands where there is interest.

Promote Young Liberals Regionally - I will promote the voices of Young Liberals at regional conference and work to increase inclusion of young voices at regional conference.

Increase East Mids Engagement - I will work to increase the membership and engagement of the East Midlands region, be it by recruiting new members or re-engaging dormant members. I will also work to increase East Mids attendances at YL and Federal conferences.
