

Re-elect Timi Jibogu as Minority Ethnic Communities Representative on the Diversity Committee

JOIN TEAM TiM

I will:

Continue to push for YL to be more diverse in all areas.

Champion new ideas to improve diversity and support other initiatives doing so.

Since my election last year, I've gone from being a sole candidate to having four other competitors this year. It's proof that things are getting better, and is why I hope you'll stick with me.
