

Trystan Lloyd for International Committee Member

About Myself:

- I am a tri-national young liberal (French, Canadian and British).
- I'm running for this position because I want to bring the Young Liberals to a closer cooperation with Europe on the issues of Climate change and other environmental issues.
- I speak and write French fluently and have lived in 3 different countries, bringing a unique perspective to this role.
- I am an individual member of LYMEC and am passionate about the environment and protecting human rights.

What will I bring to this role:

- Bringing my experience and knowledge from the GLD to Young Liberals to help the International Committee with solving environmental issues with our sister parties.
- Helping the committee wherever needed with communication in and to French such at IFLRY and LYMEC.
- Building bridges between Francophone sister parties across the world and Young Liberals.
- I will commit to deepening collaboration between International Committee and Members interested in LYMEC and IFLRY.
