

Timi Jibogu for Racial Equity, Diversity, and Liberation Officer

For too long, YL hasn't been a diverse body, and I'm committed to making sure we take action to change that.

Ulysse Abbate, Policy Officer

"Timi has consistently shown initiative and ambition in Greenwich Borough, and his strong speeches at Conferences demonstrate his passion for politics. I'm pleased to see him running for roles in London and YL!"

I will:

Put diversity into every conversation on the YL Executive.

Champion new initiatives to increase the diversity of YL members and candidates.

Continue to celebrate all ethnicities and communities in YL.

So far I have:

Represented the voice of BAME communities on the Diversity Committee.

Stepped up to become Youth & Student Officer on the Greenwich Lib Dem Executive.

Passed my motion, 'The Young Person's Guarantee,' at the 2024 London Conference.
