Hi! I'm Sarah and I'm running to be YL Communications Officer. I'm currently on a sabbatical year in a students' union, meaning I have lots of experience sending emails and drafting press releases. I've also acted as Comms Officer for several uni societies, promoting events with short form video content. I've been a Lib Dem member for just over a year and I have been a branch rep on East of England YL Exec. I'm now excited to work on a larger scale!

- 1. Short form video content - to reach new audiences - this is partially covered by a tick**
- 2. Job postings - in emails for all our new MPs - this is partially covered by a tick**
- 3. Silly and Serious - like Sir Ed, I will find a balance in our Comms - this is partially covered by a tick**
- 4. Meet our members - spotlights on our members to show what being liberal is all about - coming soon if reelected**
