

NATHAN HUNT FOR HVP

**EXPERIENCED
IN YL**

**A STRONG VOICE
FOR YL**

**SUPPORTING YL
COUNCILLORS**

I'm a District Councillor, former Vice Chair of YL, and Energy Engineer. I've been involved in YL for nearly 4 years, holding a huge number of roles within YL and the wider party.

As an Honorary Vice-President of YL, I'd be a champion for YL in the wider party, as I know the difference YLers in Local Government can make. I'd be a critical friend to the Exec, helping YL be as effective as it can - inside and outside the party.

**Want a HVP who can help
YL win in the real world?**
