

PASSION, PROGRESSION, PERSEVERANCE

About me:

My name is Boden Dudley from Huddersfield, West Yorkshire. I have been a supporter of the Liberal Democrats since 2019 and a member since 2022 and currently serve as EYL Regional Chair for Yorkshire & the Humber.

Throughout the last 3 years I have been an avid and passionate local activist; helping my local councillors all year round and co-ordinating local election campaigns. I also helped to campaign alongside my local party at the General Election in places such as: Harrogate, Sheffield Hallam, Cheadle and Hazel Grove.

I wish to continue my enthusiasm for campaigning and dedication by serving as Regional Chair for Yorkshire & the Humber, a role of which I am honoured to have as I believe I can take our region forward and engage more and more young people throughout the region by being present and vocal!

"Can't back Boden enough. He has given his all both on digital & on-ground campaigns, and ready to deliver what we need in the north: hardworking & energetic."

Teo Sevgen - Secretary of Bristol Young Liberals

Vote Boden for Yorkshire and Humber YL Chair

"Boden is an active young man, with a wisdom beyond his years. He fully recognises the vital importance of recruitment, especially amongst his contemporaries. He is very keen to build the Liberal Democrat presence across the Yorkshire and Humberside Region."

David Ridgway - Former Liberal Democrat Mayor of Kirklees

Accomplishments (so far):

- Helped promote our presence on social media alongside my incredibly hard-working regional executive.
- Established a Young Liberal local branch in my area of Kirklees
- Establishing an EYL Regional Newsletter for Yorkshire & the Humber.
- Since elected membership has risen and is continuing to rise!

My Plan:

- 1) Galvanise young people's support through social media, across all platforms; I want to ensure young people across the Yorkshire Region are represented and their voices heard!
- 2) Schedule more local events for young people; whether it be local campaigning, freshers and even Q and A sessions to ensure young people build a positive relationship with the party and its youth wing.
- 3) Increase our presence in colleges and universities, ensuring we are directly engaging with young people.
- 4) I shall attend local conferences and events to amplify young people's voices across Yorkshire and the Humber as it is vital that our region and its young people are heard!
- 5) I will work with fellow Northern Regional Chairs to unite the North and do regular socials and events.

BACK BODEN FOR YORKSHIRE AND HUMBER YL CHAIR
