

## **Lottie Wilson and Josh Lucas Mitte for EYL Co-Chairs**

### **RECORD OF ACTION**

Lottie is the Chair of Devon & Cornwall YL, having previously been a core member of the winning campaign in North Cornwall. She hosted a Save our Seas protest, and reduced regional conference fees for U18s and students by £40. She now wants to expand this across England.

Josh is the incumbent Chair of EYL, and part of the London Regional Executive and English Finance and Administration Committee. He has championed YL across the party and supported campaigning in key areas and in support of YLers.

### **PROMISE FOR MORE**

#### **TURBOCHARGE REGIONAL ENGAGEMENT**

- Working with the Vice-Chair for Membership Engagement on branch development, fostering more socials and the creation of more branches.
- Working with the Vice-Chair for Elections & Campaigns to continue to support YL Candidates and hold a wider variety of Action Days.

#### **EQUITABLE SUPPORT FOR REGIONAL COMMITTEES AND BRANCHES**

- Regions face different and unique challenges, there is no one size-fits-all solution. We will ensure to listen to regions' different needs and support regional chairs with the adequate measures.

#### **CHAMPIONING YL IN THE STATE AND REGIONAL PARTIES**

- **Cementing our presence at Regional Conferences** by sharing best practice and supporting regional chairs in arranging activities.
- **Representing in regions** by ensuring chairs are equipped to participate in regional bodies and can promote YL's work through regional channels.
- **Continuing to influence the English Party**, advocating for more equity in regional funding while protecting YL's grant through Josh in EFAC.

"Having worked with Josh and Lottie over the past year in EYL, I can see they have the skills to improve the organisation as co-chairs. From Josh's good work in helping improve resources, to Lottie's work in Devon & Cornwall, I am excited to see how they'll take EYL to the max!" - **Prem Raghvani, North East Regional Chair**

"Josh has been a brilliant EYL chair, thinking creatively about the relationship between his state, the federal executive and the English Party. Lottie has shown brilliant leadership skills in Devon and Cornwall and I can't wait to see her step up. I trust them to oversee the changes to branches and regions recently brought in to ensure members across the country are supported." - **Sarah Anderson, YL Communications Officer**
