

Vote ZAGHAM

for EYL Vice-Chair for Membership Engagement
and English Council

I believe that my extensive experience with student branches and outside the party makes me the perfect candidate to represent the Young Liberals on English Council.

MY TRACK RECORD:

- Built one of the LARGEST BRANCHES (Oxford University) in the country. Went from nothing to *200 members*.
- Designed the Constitution for three YL branches and multiple other student societies - including Feminist and Women in Government Societies.
- Supported the creation of two more branches - Oxford Brookes, Oxfordshire YL.
- Served as Chair of Access Committee and Returning Officer of the Oxford Union - managing two large teams in a world-famous organisation with nearly 100,000 members.
- Spent 5 years working part-time in the NHS.

ENDORSED BY:

- LEO DEMPSTER, Scottish YL Convener ; 'Zagham's record of delivery in Oxford makes him uniquely placed to lead on branches and their future.'
- HARVEY THOMAS-BENTON, Federal YL Secretary; 'Zagham is a great rising star in our organisation, who will play an important link between our branches, EYL and the English Party. I'm happy to be endorsing him.'
- THOMAS DOREY, President, Oxford Brookes Liberals; Zagham has been vital in the creation and development of the Oxford Brookes Liberal Association. Zagham's dedication and collaborative approach are why I'm proud to endorse him.

I PROMISE TO:

ALWAYS BE INDEPENDENT: I have always believed in being a bold and brave voice, and serving on governance committees with some of the best and brightest students from across the world has taught me the importance of not being bound by factionalism.

BE PROUD TO DISSENT: I have never been afraid of disagreement, and will always be willing to express a dissenting voice on behalf of YL - expressing the views of our members passionately even when they are at odds with the majority.

REPRESENT YOU: *I love democracy!* What's more democratic than standing up for your voice. Using all of my experience in branches, campaigning and outside the party, I will passionately stand up for what the YL membership want.
