

## **Cori for For Campaigns & Communications Committee**

“Hi, my name is Cori and I am currently taking a gap year before studying Psychology at Lincoln University.

I am an experienced campaigner, and have volunteered with the Lib Dems for many years, in Oxfordshire, Stratford on Avon & Solihull.

I believe I have lots of skills and experience to bring to YL Comms Committee, alongside a fresh perspective as an 18 yr old.

### **My Three Goals:**

Promoting YL to under 18s - Connecting with young voters, crucial with voting at sixteen

Tackling national issues online - Boosting the Lib Dem voice on mental health and environmental protection

More short form video content - Promoting campaigns on abortion and the conflict in Gaza

### **We're backing Cori:**

“Cori is ready to get stuck in to YL communications, and committed to make sure we reach new heights on social media. That is why she gets my first preference vote.” - Harvey Thomas-Benton, YL Secretary

“Cori’s passion for campaigns really shines through - at a time where we need to be loud, bold and visible, they’d be a great asset to YL.” - Nathan Hunt, YL HVP
