

WHY SAM FOR LGBA+ REPRESENTATIVE?

#1 Being a strong voice

I am a local councilor who is able to represent their community. I will call out injustice that will harm the LGBTQ+ community.

#2 Getting things done

I always attend meetings and always get my reports in on time. I have been chair of London Young Liberals twice organising events and action days.

#3 Working together

In a time where there is so much divisiveness, I want to make sure that the diversity committee works together to come up with solutions that bind us together rather than split us apart.
