

1 Stamatis Mavroudi-Tayler
2 for EYL Devon and Cornwall Regional Chair
3
4 # About me
5
6 I'm Stamatis (he/him), a Year 13 student from Launceston studying maths, further maths,
computer science and physics.
7
8 I joined the Liberal Democrats after participating in the highly successful general
election campaign for Ben Maguire MP in N. Cornwall, and attended my first YL conference
in summer 2025.
9
10 With 8 MPs, 26 Cornwall Councillors and 27 Devon County Councillors, the Liberal
Democrats are now stronger than ever in our region – but YL representation is still in
its early stages.
11
12 I firmly believe in continuing to promote engagement and in further growing our presence
across Devon & Cornwall, in order to achieve better YL representation – both within
regional Lib Dem parties and within our local communities, so that we can promote the
interests of young people, and especially the large proportion of us living in rural
areas.
13
14 I commit to:
15
16 # Representing Young Liberals across Devon & Cornwall
17
18 I will ensure the interests of YL members in D&C – and especially rural YL members – are
represented fairly in the English Young Liberals, and in federal YL.
19
20 # Increasing our presence
21
22 I'll continue our current chair Lottie's work to expand YL events across Cornwall and
Devon – in the form of social/networking events, as well as public campaigns, to bring
us closer to securing the public presence we need to let our young people have their
say.
23
24 # Engaging young people
25
26 Lib Dems win best when they target communities and fight for the issues that matter
most. I'll continue to raise awareness of the challenges facing our young people,
including the sewage crisis and cuts to the already limited rural bus services we rely
on – and how the Liberal Democrats will deliver serious change to secure a better future
for us.
