

YAZZ HANSFORD FOR WOMEN'S DIVERSITY COMMITTEE REPRESENTATIVE

Hi! I'm Yazz, I'm 18 and live in Dorset, within the Western Counties area! I'm very excited to stand as your candidate for the women's diversity representative!!

I have spent time campaigning for women's rights, especially on Catcalling. I joined a campaign called Chalkback, where we chalked in public areas to raise awareness for catcalling, a prominent issue that young women face. I have also had the opportunity to speak at a parliamentary APPG on Youth Affairs, showing my ability to publicly speak about issues that affect young people, especially young women. Also, during women's international day 2025 I took the opportunity to represent young women at the MD2MD conference for women.

As a woman in politics myself, I have faced many a time where I felt like I wasn't valued purely because I was a woman, and I will make sure you don't feel like this. I will ensure our Young Liberals who identify as women & our transgender community get equal opportunity to serve the Young Liberals. I will ensure I hold the executive to account and that our young liberal women feel safe and heard.
