Why us?

Between us, we have the skills, experience and enthusiasm to continue this role effectively. Leo has served three terms as Scotland Young Liberals Convener, alongside his experience as Events Officer, while Maisie is the current Federal Fundraising Officer and Chair of Western Counties Young Liberals. Together, we bring a strong combination of fundraising, events, leadership and regional experience.

We want to ensure that Young Liberals fundraising continues to have a meaningful impact. In particular, we are committed to raising enough funds to maintain an access fund for YL Conference, helping to ensure that financial barriers do not prevent anyone from taking part. We will also continue working closely with the Federal Party to develop effective, creative and sustainable fundraising opportunities that benefit Young Liberals across the country.
