

RE -ELECT

JULIUS PARKER

AS

Honorary Vice-President

Who Am I?

I am Julius, a caseworker for one of our fantastic MPs, living in Oxfordshire. I have played a role at many levels of the Young Liberals including Federal Finance Officer (as it was), NPO, Vice Chair of the Welsh Young Liberals, Chair of the South Central Young Liberals and Chair of Aberystwyth Student and Young Liberals. I have been active in YL since 2016 and in the Liberal Democrats since 2015 and an HVP since 2024, where alongside my colleagues I helped reform executive scrutiny into something more accessible.

My Aims

Over the 9 years I have been involved with YL I have gained a great deal of **Experience** at the Federal level, in the states, in English regions, and at a local level. I hope to be able to continue to leverage the **Knowledge** I have accumulated during this extensive period of time to provide individual officers and the executive as a whole, as well as committees, with **Guidance** and advice should they require it.
