

MALCOLM HEUGHAN

For Scottish Young Liberal Convenor

MY BACKGROUND;

I have served on the executive committees of the Highland Liberal Democrats and the Scottish Young Liberals as ADE Officer.

I also have been the founder and chair of the Highland Young Liberal Democrats, which was recognised as the 'best UK YL Branch' at YL Conference.

I am a recipient of the Sheila Tennant Award and am the Ambassador for a Highlands Suicide Prevention Charity.

I am involved in multiple Holyrood and Council campaigns and work for Citizens Advice Scotland.

MY AIMS;

I want to see Young Liberals more involved in Local Branches. It was an amazing feeling seeing the number of active YLs in the highlands become almost equal to regular members.

I want to see this repeated up and down Scotland. I want to see regular YL Takeovers in every Local Branch. I want to see more YLs on Local Branch Executive Committees. And I want to see our membership grow to facilitate this!

ONE LAST THING;

This is going to be an incredibly important year for the SYLs. We have to be the true alternative for Scotland, and I want to take my experience running a Successful Branch of the YLs, working on multiple campaigns and serving on multiple execs to support the SYLs to make the most of the year ahead as we can, and to provide the alternative!

"Malcolm's work in the Highlands has been fantastic. He has the enthusiasm, ability and ideas to help the SYL grow in 2026."
- Harvey Jones

"I have worked with Malcolm for a year now and he has been a strong member of my committee and he will be a brilliant Convenor for the SYL."
- Leo Dempster
