

MAISIE KIFF

WESTERN COUNTIES

In 2026 we have had amazing **GROWTH** in western counties, the region has gone from being inactive to having at least monthly Young Liberal Events / campaign sessions and so far 6 MP events the year!! I am standing again in Western Counties to continue to work and continue to fight for voices region wide. From securing a YL budget from the regional party to going viral on social media... the question is what do we do next?
