WESTERN COUNTIES

In 2026 we have had amazing

GROWTH in western counties, and the region as gone from being inactive to having at least monthly Young Liberal

Events / campaign sessions and so far 6 MP events of the year!! I am standing again for Western Counties to continue this work and continue to fight for YL voices region wide.

From securing a YL budget from the regional party to going viral on social media... the question is what can we do next?
