

CHARLIE

For EofE Chair

My Aims

- 1 Boosting membership engagement:**
Improve outreach to our existing membership base by working with local parties to communicate with members and organising regular events to encourage engagement!
- 2 More fundraising:**
Work with members and local parties to organise fundraising events so we can afford to put on more engagement events!
- 3 Improve Comms:**
As the former comms officer I know the importance of comms, having a small team dedicated to improving our communications will help membership engagement and recruitment

Charlie #1
for EofE chair

Who's this bloke?

In the past year I worked closely with Mack as his comms officer, I grew the EofEs instagram following fourfold and have grown familiar with members in the region. I have been an active member of the party for over a year now and am a proud southerner!

Take it from Mack!

“Charlie has been an exceptional Comms Officer for the Region this year. I am excited to see what great things he will do as Regional Chair.”
